Using Sou to threaten...
That is
A curse mark that is [illegible]ng Sou's
I can't just not do anything while Sou is suffering.
But... everyone will...
What should I do...
Sou...

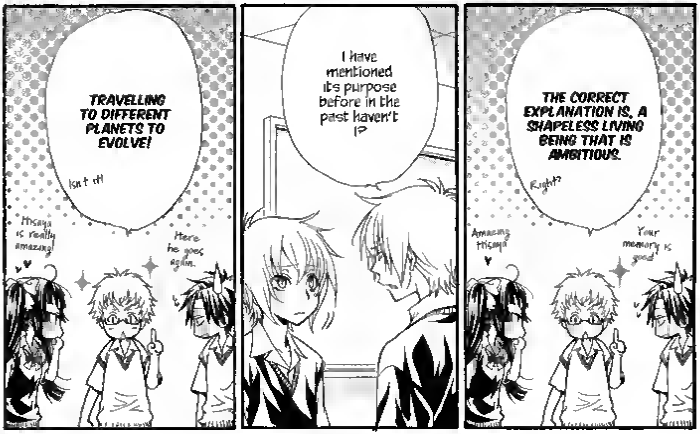
But, maybe there is this method.
YOU HAVE THOUGHT OF SOMETHING?!
You ask me what to do?
You are making it difficult for me.
You are normally so smart, just think of something quickly.
Hey, Keiji! Don't you have other solution?
This is just a hypothesis...
If we can completely release Sui's seal, we might have a way out.
Flinch

Since it is sealed, there must be something inside.
it could be something even more important than the key.
Seal...?
Something ...
more important
than the key
inside...
If that is true, there must be something even greater than the power sleeping inside,
if we could release it—
YOU CAN'T!!

YOU MUST NOT RELEASE THE SEAL!
You say we can't release the seal...
Soul, do you know something?
Flinch

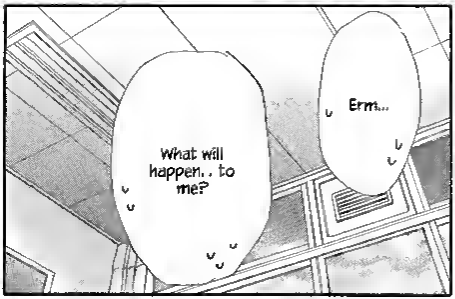
Now that i think about it...
Everytime I wanted to use the power... Sou hated it
Fear...
No...
I should not say hate, it's more like...
Sou...
I don't want everyone's assistance to be wasted...
Also...
The person I want to protect the most is Sou!
So I beg you! If you know something, tell me!

I...
have no idea what is in the seal...
I only remember Sui's companion's words...



TRAVELLING TO DIFFERENT PLANETS TO EVOLVE!
Isn't it!
Hisana is really amazing!
Here he goes again.
I have mentioned its purpose before in the past haven't I?
THE CORRECT EXPLANATION IS, A SHAPELESS LIVING BEING THAT IS AMBITIOUS.
Right?
Amazing Hisana!
Your memory is good!

Sui's comrade made use of the enormous energy to evolve,
After releasing that energy,
they dissolve into the stars and disappeared.
Leaving nothing else but the evolved living bodies behind...



Erm...
What will happen. . to me?

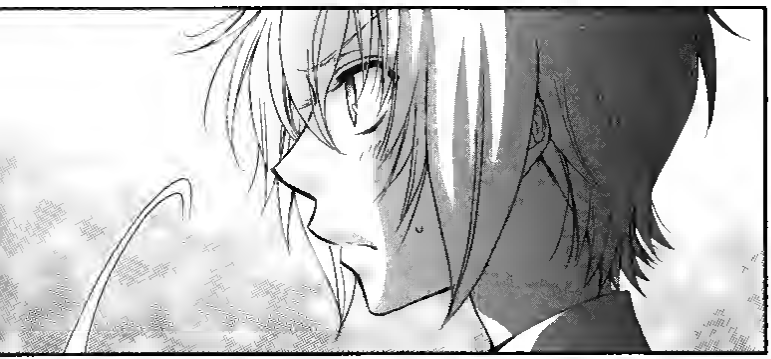
There should be a lot of energy beneath the seal.
But once the seal is removed and he uses energy, Sui..

might disappear without a trace.
NERVOUS
!?

I was always worried about this,
so I didn't want Sui to use the energy —
Actually I have no idea what will happen.. !
BUT BECAUSE I DON'T KNOW I DON'T WANT THE SEAL TO BE BROKEN!

Now, we are back at the starting point..
What should we do?
Losing Sui is like losing a wife and a general *
Sigh
If that's so, let's give up on breaking the seal.

*T/N: BASICALLY IT MEANS LOSING SOMETHING IMPORTANT



If the enemy is using Sou's life to threaten us, just like what Keiji said,
I can also gamble with my own life.
EH?
Your life... are you trying to sacrifice yourself?
SUI?!
The enemy should be troubled if I am dead/
So to the enemy, my life is a hostage.
If both side has a hostage, the hostages are useless.
IT WILL BECOME THAT WAY RIGHT?!
That is correct
You can say that you are properly going against them
but it will be really bad if you died

Sui, are you serious? Are you really willing to sacrifice your life?
Of course I am serious!
I am willing to do anything for Sou!
Sui...

Yes...
Sou... are you still awake?
そっ

そっ…
Sorry Sou...
For letting you live in fear for a long time...
Since a young age, he was been living in fear...
That I might disappear if I use my power...

it's fine...
because I don't have the courage to say it outloud...
MOST IMPORTANTLY YOU CAN'T SAY SOMETHING ABOUT USING YOUR LIFE.
I won't change my mind.
SUI WHY
がばっ
Because I am the same as Sou
Just as you are afraid of me disappearing, I feel the same way towards you.

Sou...
If you die, I don't want to live.
I am not joking.
Even if...
I don't use my power, I am still just an empty shell...
no longer a human...
That is how I feel...
Suí?
Anyway,
Sou's life is the same as my life!
If you gamble your life, I will also do the same! I will never back out on this!
Ha...

I WILL PROTECT SOU!
Okay, let's sleep!
Yea...
Idiot... that is my sentence..
Sou...
Sleepy
Even though it is strange to say this now, but I feel so blessed–

If I can live normally...
with Sou, our parents and friends.
Just like this, how happy would I be. .
That is what I think..
Sui...

ざわ..
ざわ..
ざわ..
Today's escort mission has completed!
It's great that nothing happened
Even Kurimi came along, thanks
I was shocked when I saw you with Hayate in the morning
We are going the same way, so I might as well go to school with you
Where is Keiji?
That guy loses to take the limelight
Thank you, Hayate

Keiji wanted to research more about the enemy, so he went out.
I must learn their weakness so that we will be at an advantage.
is what he said.
Oh...
Don't care about him
I will fetch you after school.
I will hand the baton to the next person-in-charge?
Of course! Don't worry!

The barrier that I have erected is flawless/ The defence is perfect/
Hey~
That barrier is making me suffer
I can't stand barriers made by demon
ENDURE IT!
Takuya Sur is the top priority You are not!
Karen-chan, you said something about a barrier... is your body ok?
I will just treat it as training and try to endure it
Are you ok? I am really sorry

Hisaya
I am glad...
Two person, no, it's three including me... this precious body... don't push yourself too hard!
There are no problem! This kind of standard is nothing to me!
Ah— I can't breathe! I feel so disgusted that I want to vomit—
Ugh
It's not because of the barrier
I will still be worried because you are important.
You are too worried♡ I am stronger than a human, a vampire, there is no problem.
Hisaya♡

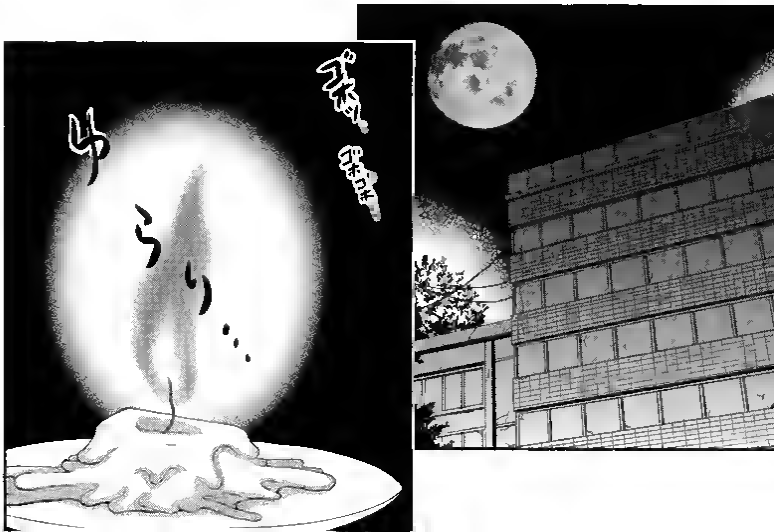
Ding Dong Dong
Ah! The bell rang.
if Sou doesn't return to his classroom.
Mm...
No choice
ぶすっ
Still the same he is still unhappy when he has to leave Sou.
But, you must come here during break! I need to check your condition!
I know...
Mm...
What's wrong? Did something happen?
The bruise is getting worse...
it appears soon after I remove it, also the time for it to appear is shortened and the area is larger
It was only the arm but it's spreading to his chest and hip

IT'S BECAUSE YOU HIDE IT THAT I AM MORE WORRIED IDIOT!
I didn't want to worry you... sorry...
きっ
But Sou wants to keep this a secret!
So to make sure he doesn't hide it, I will make use of break time to check!
Sorry Sui..
That's why I said the aura you are giving off is the same...
Don't just come here! You must tell me about your condition honestly!
I will definitely find you during break... don't be angry.. Sui...
Mm... I got it...
This girl... is... That sister as well!?
I have to be with this kind of people...

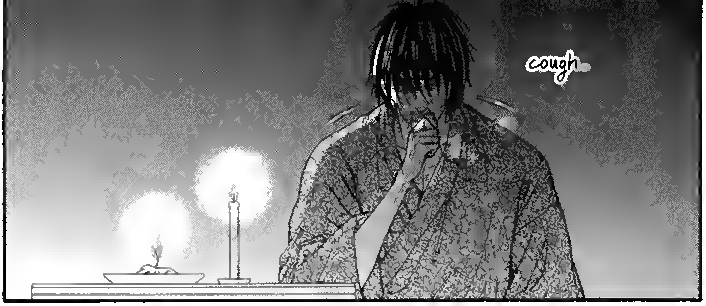
We have been receiving everyone's protection...
but nothing has happened...

WHAT ARE YOU SAYING?
Eh
Kunimi
I feel bad, that I am receiving protection while nothing is happening...
Whisper
I am wasting everyone's time.
This is the most dangerous period,
If we don't do this, we will make a mistake later!
Furthermore, there are changes in Sou's curse mark right?
Ah!
A curse is like a virus,
it will keep evolving and get stronger and stronger...

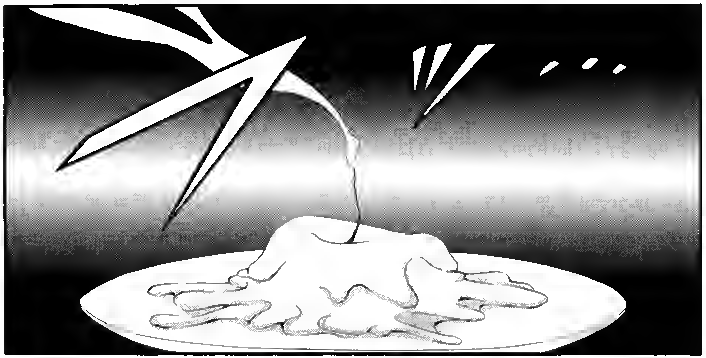
I think that the evolution of the curse mark means that the enemy is near,
So we should be more careful!
Y-Yeah!



ゆらり…
ぶわっ



cough



The time has come...

What are you saying? I didn't say that I am not going!
So you remain here to guard, I will go with Chi-kun—
Calm down.
So we can go there and play with them?!
Finally— I couldn't wait any longer!
Seriously—
ガッ…
They are currently in the Kunimi House, even if we go, we will be blocked by the barrier outside
There are also people protecting them in the morning or on the road.
That can't be!
If that's so, what should we do?

Ten,
Riku.
What?
きゅっ…

Listen carefully
and act accordingly.
This is something important that will affect your future.

UWAHH-HH!

U... UGH...
SOU!
WHAT HAPPEN? IS IT PAINFUL?
LET ME SEE YOUR CONDITION REMOVE YOUR CLOTHES!
AH!
It have spread to the whole body!!
It wasn't so serious before!!
I will return you to your previous condition, endure a little more!

Feel like... something is approaching
I feel a little numb, don't worry .. it will recover soon...
The bruise is gone, but . what about the pain?

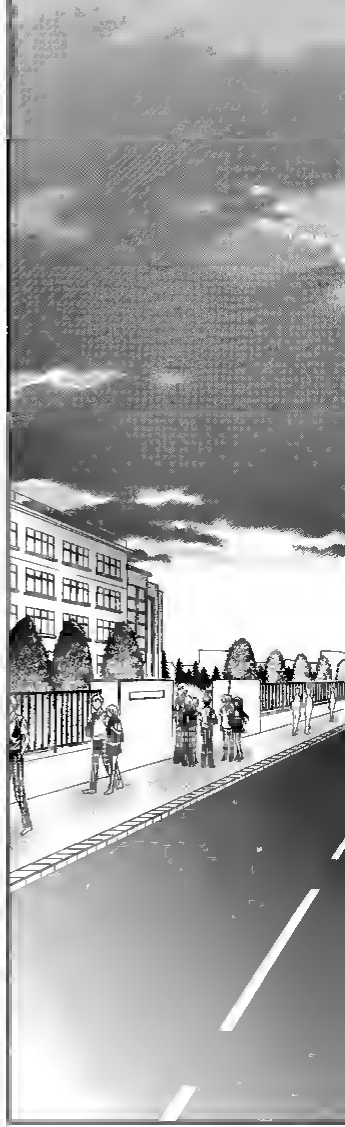
No, no changes
Sou... any changes?
Hu...
Is that so... I am glad...

Sui, I am here to bring you home!
Ah, ok!
let's go!
I am going too-
ガタッ
We will accompany you to the school gate!
Because it is a lie.
Even though we can only accompany you till the gate.

We will be going this way.
Be careful on the way.

Okay!
Bye!
See you tomorrow~

……



Ah, don't care about their matters,
We have to be careful on the way home—
Is it really ok for Kitano to keep going to Kannatsuki's house.
Maybe they have already talked about marriage?
Their family won't say anything?
It's possible... Kitano is very likely to say something like that.
ガラガラ...

Eh? What is it?
Oh no!
Tsk!
Shock!
